

Y70 Series

## Pipe Thread Grease

### Description

Y70 pipe thread grease is sold in 2-1/2 oz. net weight single tubes, which are displayed in cartons containing 12 tubes, or in one gallon containers. Y70 grease is especially compounded to provide excellent lubrication at temperatures ranging from 32 to 175°F. It will not run at high temperature and remains plastic at low temperature.

### To Order

Specify the code number from the following selection chart.

### Selection Chart
