

Y99 Series

## Valve Connection Reducer Kit

### Description

The Y99 Valve Connection Reducer Kit allows easy conversion of any valve or regulator pipe connections in the field. The kit does not alter the overall face-to-face dimensions. The kit contains an anti-galling compound, wrench, and four male and female bushings. Each kit is individually packed in a plastic bag, 10 bags per carton.

### To Order

Specify the code number from the following selection chart.

### Selection Chart

Code Number	Reducer Size
Y99AP-1	1/2 in. male to 3/8 in. female
Y99AP-2	3/4 in. male to 1/2 in. female
