

Slide-Driver™

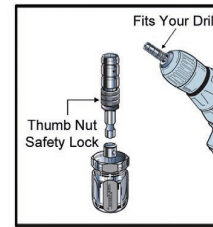

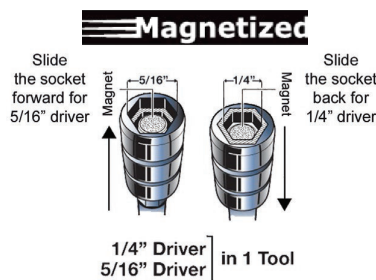

Have the right driver every time! Slide from 1/4" to 5/16" and back again without stopping to change bits!

The "Bit Driver" Model

- * Thumb nut safety lock– keeps it firmly in place
- * Magnet holds screw securely at both sizes
- * Easily fits in your pocket
- * Made of hardened steel

Hand-Held Models

- * Magnet holds screw securely
- * Use as a bit driver
- * Magnet and socket move in unison so magnet has 100% power at both sizes
- * Available in 3 lengths: 3"/7"/10"
- * Made of hardened steel
