Options

Customized inscription

The labels can be inscribed with text and symbols not listed in the ordering data.

Append the following codes to the order number:

- Text in upper/lowercase: **K0Y**
- Text in uppercase: **K1Y**
- Text in lowercase: **K2Y**
- Symbols with number to DIN Report 4: **K3Y**
- Text or symbols according to order form supplement: **K9Y**

DIN Report 4 can be obtained from Beuth Verlag GmbH, D-10772 Berlin

Ordering example

You want a label with image No. 267 to DIN Report 4:

3SB39 06-0XZ
K3Y
Z = 267

* This quantity or a multiple thereof can be ordered

Notes on ordering

When ordering, specify the required inscription in plain text in addition to the order number and order code. In the case of special inscriptions with words in languages other than German, give the exact spelling and specify the language.

3 lines with 11 letters each are possible, height of letters 4 mm (1 to 3 lines)

For special symbols (short code K9Y), a CAD drawing in DXF format should be submitted.

¹⁾ The inscription plates from the 3SB1 range (silver with black lettering) can also be used.
