

ION-FA * A 0 | Clip-on air purifier

Part Number

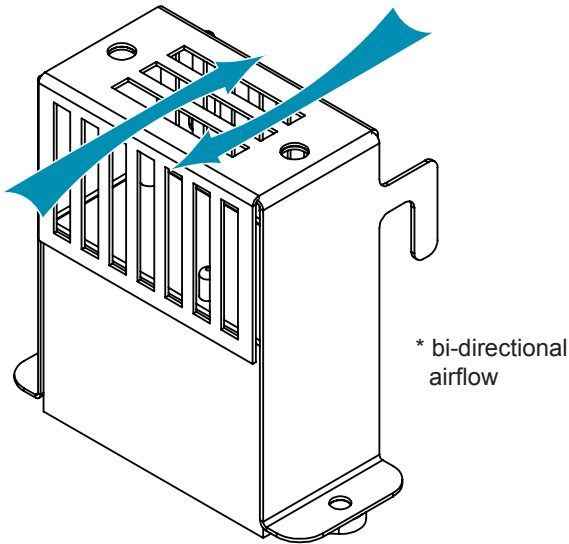

ION-FA * A 0

VOLTAGE:

- A - 24VAC / VDC, 1φ
- D - 115VAC, 1φ

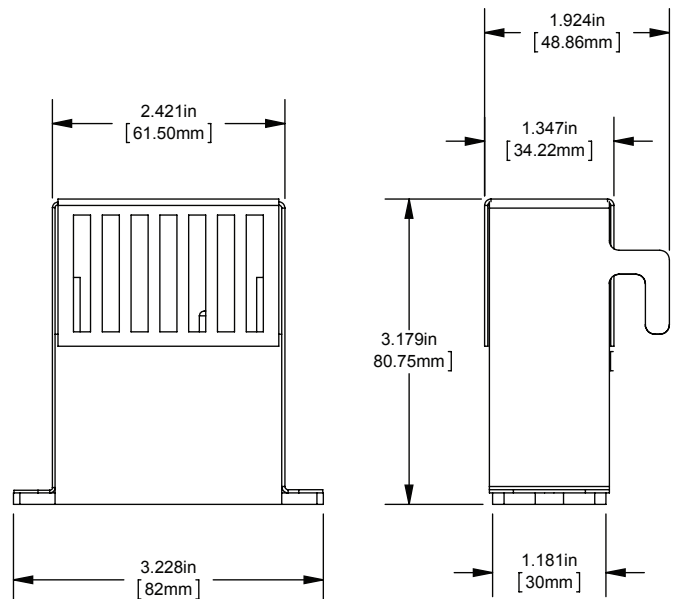

Airflow

Product Application

IAIRE's clip-on air purifier can be attached to blowers or fans with a grid cover. It removes odors, allergens, bacteria and mold. The clip-on air purifier is best for remediation jobs or areas needing temporary cleaning. It comes equipped with a power cord. No maintenance required or filters to clean.

Product Dimensions (inches [mm])

Technical Data

Power Supply	See part number voltage
Input Power	4.3 W / 24V; 6.9 W all other volts
Output Voltage	+/- 9000VDC
Mounting	Hook mounting
Dimensions	3.16" x 1.16" x 2.27" (w/ CF tips)
CFM	1,800 CFM
Output Ion	Negative 9×10^7 pieces / cm^3
Weight	1 lb (.5 kg)
